TEN IS A GOOD, ROUND NUMBER AT WHICH AGE IT IS USEFUL TO REMEMBER THE JOURNEY TAKEN, MAP SOME OF THE MILESTONES AND SET A CONTEXT FOR THE NEXT TEN YEARS. xsite has been involved in some way in over 200 projects in ten years, some small and beautiful, others large but equally beautiful to our eyes, making a considerable contribution to the creative and cultural life of the North East. A key ingredient has been to seek collaborative opportunities with a wide range of disciplines and partner organisations, learning by experience and in proximity to others who we admire. To mark our first decade we intend to make 10 gifts over the course of the year.
